

Kentucky Society for Human Resource Management State Council Awarded For Elevating Human Resources, Improving Workplaces

Frankfort, KY, May 31, 2019 — SHRM (the Society for Human Resource Management) recently awarded Kentucky Society for Human Resource Management (KYSHRM) State Council its prestigious EXCEL Platinum Award for the council’s accomplishments in 2018.

The EXCEL award aligns individual chapters’ and state councils’ activities with SHRM’s aspirations for the HR profession. The award recognizes major accomplishments, strategic activities, and tactical initiatives that elevate the profession of human resources.

“So much of SHRM’s success in shaping better workplaces—where employers and employees can thrive together— is owed to the hard work of our chapters and state councils such as KYSHRM. Through their courage and leadership, KYSHRM is driving true, measurable progress toward the healthy, productive, and dynamic workplaces of tomorrow,” said Johnny C. Taylor, Jr., SHRM-SCP, president and chief executive officer of SHRM. “Awarding this Platinum Excel Award is just one small way for SHRM to recognize and celebrate the big steps this State Council has taken this past year.”

The EXCEL Award can be earned at four levels: bronze, silver, gold and platinum. Each level has a prescribed set of requirements and accomplishments that must be met. KYSHRM will receive recognition in SHRM publications and at conferences, a logo to display on its website, and information to share with its members about the significance of this award.
